## 2-Tone French Oak

- The Bergamo 2 Tone Collection planks are created with two vibrant colors: One on the wood grain and the other color glowing underneath
- The 2 Tone effect is realized using a new and innovative multiple step staining process on the boards with a 100% water based urethane super matte finish
- Character grade sliced face French Oak revealing and expressing the beautiful cracks, knots, mineral streaks and swirl grains only found in natural wood
- Each board is hand crafted and wire-brushed with edges and ends slightly distressed
- French Oak comes in 1/2" thickness x 7 1/2" width x 72" length, 2mm Sliced Face
- 6 colors to choose from
- 5 year light commercial warranty
