## Smoked and Oil Finished French Oak

- We carefully select the finest French Oak, using a 4mm-thick, character grade sawn wear layer
- 85% long boards, 8" wide planks, 9/16" thickness to create a stunning visual impact
- 100% smoking and aging process for deeper, richer colors
- Wire brushed surfaces, hand crafted edges & ends, enhancing the beauty of the wood's natural grain
- Fine French Oak flooring that is finished in 100% premium natural oil-completely free of VOC's and solvents
- 5 year light commercial warranty when properly maintained
- 9 colors to choose from
